Re: Resignation from USA Powerlifting

Dear Dr. Larry Maile,

Effective immediately, and upon receipt of this letter, dated Wednesday, May 11, 2022, I have resigned my membership with USA Powerlifting.

I'm now a member of Powerlifting America – the new IPF Affiliate for the United States.

As a member of Powerlifting America, I cannot be involved with an organization that conducts unauthorized drug-tests on athletes.

I ask that you provide confirmation of my resignation from USA Powerlifting.

Furthermore, I'm also requesting that my decision(s) as a member in good standing with USA Powerlifting be respected.

Thank you for your assistance!

John Smith
